

0.3w

SOLAR
POWERED

IP68

1YEAR
WARRANTY

The Grimsay is a road stud that can be used on roads, motorways, partition areas, bridges, intersections, highway exits and many more applications.

EGG lighting's modular design allows for the easy repaired and replacement of components; providing a much extended product lifespan.

- Mono-crystalline silicon 0.3W solar panel
- Die-cast aluminium alloy casing
- Typical visibility of over 500m , and typical viewing distance of over 800m.
- Operating temperature: -40 to 75 degrees celsius
- 10 tonnes load bearing capacity

Wattage (w)	0.3
Battery Type	Ni-MH / FeLiPO
Dimensions(mm)	Ø134*53
Typical Charge (hrs)	8
Ambient Temp. (°C)	-40 to 75
IP Rating	68
UK Warranty (years)	1
Typical Visibility (m)	≥ 500
Colour Options	White / RGB
Light Display Options	Steady / Flash

STANDARDS

EN 60598-1	Luminaires - General requirements
